

A Year in Review . . . Since my junior ad last year JEMI Madam Pitino, E-94%, won the Premier Performace award in the Aged Cow class at The 2004 All American Junior Jersey Show. Sadly, "Madam" passed away during the winter. More recently in 2005, Buttercrest Klassic Megan, VG-86%, placed fourth in the Pot O'Gold Production Contest. "Megan" is in the top 2% in the nation for JPI. She has a P9 "Roulette" daughter and has had A.I. interest. A big thank you to Cooperrider and Sons, Croton, Ohio, for selling "Megan" to me. A few other favorites in my herd are: R Justice, E-90% with an ME at 2-1 of 21,179 — 931 — 682 and Barber Image Whistle, E-90% with a two lactation average ME of 21,061 — 945 — 752.

Thank You to all . . .
