## Mark your calendar - September 8, 2008

It is hard to believe that we are already preparing for our ninth annual Bush River & Treasure Chest Combination Sale.

The demand for Jerseys today continues to be strong. Our sale offers many great things to buyers—from bull mothers, to cows that will show at The All American Jersey Show, we have something for everyone to choose from.

Those of us at Bush River and Treasure Chest Jerseys are very excited about this year's sale and hope you will mark your calendar for September 8<sup>th</sup>. It is most important to us that we deliver on the promise we made to "let the good ones go." The most gratifying component of this series of sales have been the large number of success stories we continue to receive from the buyers of animals in the first eight sales and their pledge of support for future events. (see the success stories above on the right.)

Welcome again to the Bush River & Treasure Chest Combination Sale and keep in mind that the efficiency of the Jersey cow is even more evident to the dairy industry as she continues to be the most profitable dairy cow in the business. As always, we assure you that the Jerseys to be sold on September 10th all fit Doc's philosophy of

*"You have to let the good ones go!"*
