At Bush River Jerseys marketing is a key part of our business plan. For the past several years, we have had the good fortune to work with some of the best partners in the business — including **Harvey Peeler Dairy** with our milk bottling business; **Sunny Day Farm**, partners in the #1 Type and Jersey Udder Index bull in the breed, IATOLA; **Goff Dairy** with the Intermediate Champion at Louisville in 2007; and now with **Skip-A-Rilla Jerseys**, Clifford Stiles and Tammie Stiles French. Seeing our partner's cows do well is a great reward for us. Seeing Bush River cattle do well is just as special and we are thankful for our success!

We look forward to the upcoming show season as the Goff Dairy cattle once again join our show string and our three dairies compete among the best of the best in North America!

See you on the tanbark trail!

Make sure to check out our June ad for information on the first annual AJCC Research Foundation Tag Sale. We are offering 5 of our best!
