

Best of *Both Worlds*

The South Carolina and national Jersey youth programs have been good to me through the years. They have helped me to find the love for dairy farming that my father and great-grandfather have and I couldn't be happier to be back at home full-time after graduating from high school this past June.

Because of these outstanding programs, Pot O'Gold Sales, All American Junior Show, and South Carolina 4-H and state Jersey activities, I have been able to build a herd to be proud of and develop my next generation from.

I hope to see you this fall!
