

Proud to show our support to Jersey Youth!

Jersey youth programs are so important to our business. They are geared towards our next generation and to be a part of this special sale that will help further the growth of our youth is very important to us. Breed leadership beginning nearly 55 years ago, saw the importance of AJCA youth programs ... and now that leadership still values the future of our industry.

We are pleased to offer to this year's all-donation National Heifer Sale this deep pedgreed heifer:
