D&E Jerseys has been a strong supporter of young sire programs for years, not only with using them in our breeding program but also sending bulls to A.I. sampling programs. The four cows above are the bull mothers of a few currently being sampled: "Violet's" sons, 7JE926 D&E Echo Advantage 6112-ET at Select Sires, and 11JE1019 D&E Jevon Victory and 11JE942 D&E Volt-ET both at Alta/Jerseyland Sires; "Party Time's" son, 11JE944 D&E Paul-ET at Alta/Jerseyland Sires; "Claire's" sons, 11JE941 D&E Confident-ET and 11JE956 D&E Knevil both at Alta/Jerseyland Sires; and "Lyra's" sons, 200JE45 D&E Larry-ET at Semex Alliance and 11JE928 Abbott of D&E at Alta/Jerseyland Sires. Watch for more from these exciting young bulls in the future!
