The Jersey breed's future is the promise of our youth. We have always believed in the ability of talented, motivated young people and we continually see that promise fulfilled in the participation in our junior programs and as we have watched those juniors grow into active young breeders.

Dutch Hollow is proud to sponsor the Best Bred and Owned award at the All American Junior Jersey Show. The opportunity to exhibit at the All American should be a high point in any Junior's career. To breed and develop the animal you exhibit makes it even more special.

Our sincere congratulations go to all of these winners as well as to the achievement, production and scholarship winners recognized at our Junior Banquet.
