Highland Farms has had a long and rewarding association with ABS. We have always used ABS bulls with confidence and satisfaction. Morris Ewing would come to visit Briarcliff Farm and make a stop at Highland Farms. One day he came looking for a Highland Magic Duncan son and we just happened to have one in the calf barn. He liked his pedigree and Highland Duncan Lester was off to ABS.

We have used other great ABS bulls: HALLMARK, RESCUE, IATOLA, JEVON, LEGAL and HEADLINE. We have had or do have beautiful high-producing cows from these ABS greats.
