## President's Perspective

Hope that this issue finds you all well and hopefully enjoying the great winter we have had. After last year we all needed a break. With the easy winter we have had you all should be caught up on all your jobs around the farm. That way I hope to be able to see all of you at the State Jersey meeting March 17th. We have a lot of items to discuss. The main item we need to discuss is the future of our spring & fall sales. A lot of comments have been made about how they are run. So your comments are greatly needed. If we are to make changes we need to make those changes now.

Also it would be great to see as many of you at the state sale in West Union on March 31st. There will be something for everybody, so come and spend the day and hopefully take one or two head home. The Pot of Gold heifers will available to all youth 7-20 years old. Lets get the word out and help to put this sale as one of the best in the Midwest.

Also, I would like to announce I will be seeking another term as your president and would appreciate your vote.

With that I had better get this off to Jennifer ASAP before I get the call. Hope to see as many of you at either the spring meeting or the state sale.

Until next time, *Jeff Holtz*

## Vice President's Message

We are thankful for a nice, mild, open winter which we have been blessed with this far.

I would like to encourage our IJCC membership to come out and support our upcoming club activities. On March 17th in Clear Lake is our Spring Meeting. We hope to have a good

turn out for that.

The Iowa Spring Extravaganza Sale is Sat. March 31, 2012 in West Union, IA. We encourage Jersey breeders to consign some of your best for this. We are once again having our Hawkeye Pot of Gold Sale with outstanding heifer consignments available only to Juniors 7 to 20 years old. Those of us with producing herds should consider shipping a few old culls (at record prices) and come replace them with outstanding springers available sale day.

Until Next Time,

*Harvey Metzger*

## Editorial

As I sit to write this- it's misting outside. Doesn't really even seem like we've started winter in this part of the state yet, and already we're thinking of spring. We've got a lot to think about!

We are looking forward to seeing many of you to at the Annual Spring meeting. We scheduled it a week later this year to hopefully miss any bad weather. Please bring you family for the buffet lunch and enjoy the conversation and club discussion. We will make sure to get through the club business quickly to make sure you have enough time to get back home for milking.

My thoughts from last year still hold true "Thank you to our advertisers for supporting this publication and the IJCC. Your continued support makes this a magazine that hundreds of people look forward to receiving three times a year. I receive many compliments on it and several people tell me they put down what they are doing as soon as it comes; that's due to your continued involvement. Iowa is host to many great Jersey herds. If you would like to begin advertising, please let me know."

Make sure to send your 2013 Iowa State Fair judge nominations to President Jeff Holtz. Those will be voted on at the Spring meeting. Information is on the inside back cover. There are many Jersey Youth opportunities coming up- I've listed some on page 11. Please take advantage of them!

We plan to host the summer picnic at Kunde Jersey Farm, with a date announced in the spring issue. It will probably be in June so it's not interfering with county fairs. Also I'm expecting the end of July again- so the sooner the picnic, the better!! We moved into a double 12-parallel parlor in 2009, have since renovated our tie-stall barn to free-stall and put up a heifer shed at Michael's farm up the road. We would be proud to show you around!

Proudly yours,

*Jennifer Zumbach*

## Topics up for discussion

- *Selection of 2013 IA Jersey Show judge*
- *Other future IJCC activities*

*Please join us for the meal, conversation and discussing the Iowa Jersey Cattle Club business.*

## *2012 Executive Meeting minutes*

The annual IJCC Executive meeting was held on January 26th at 7pm. President Jeff Holtz called the meeting to order, with VP Harvey Metzger and Secretary/Treasurer Jennifer Zumbach present.

The following items were discussed. State Sale will be March 31st at West Union. Jennifer will get information to advertise in the Jersey Journal March issue. Harvey offered to secure consignments from NW Iowa and adjoining states. We will need Jersey volunteers for ringmen and to lead this year. Also, if anyone is interested in helping out the night crew- it would be greatly appreciated. Brian Lantzky joined the conversation for discussion about the Pot O' Gold sale consignments. He would like to get away from a group of people selecting the cattle and try to genomic test the POG animals and take the top four ranked in an area chosen by the committee. He felt this would be a non-bias way to select the animals. The others nominated would have the choice of still consigning the animal on the main sale or not. Due to the timeline of testing, action needs to be taken quickly. Animals nominated for the POG sale need to be tested by Feb 10th in order to get the results back by March 6th- to be included in the sale catalog. Jennifer will send an email out quickly with all of this information included. The committee is looking for heifers born June-August 2011.

The Annual Spring meeting will be held on March 17th at Mason City, Best Western at 11:30 am, with buffet meal prior. Jennifer will send out a post card with membership, meeting and sale information included.

The Iowa State Fair Open Show judge will be Robert Yeoman, Dover, OK. The other 2 options declined for this year. Jennifer will again include a form in the February IJT for people to send in their nominations for 2013 judges. We believe the ISU Dairy Science Club will again be running the Jersey Boulevard of Breeds, but have not heard for sure.

The 2012 budget and 2011 finances were reviewed and will be brought to the Spring meeting for club approval.

Summer Picnic host- Jennifer volunteered to host at Kunde Jersey Farm this summer. A double 12 parallel parlor was built in 2009, the old tie-stall barn has been retrofitted into free-stalls, and a heifer shed was just constructed this fall at Michael's home 1 mile from the main farm. It will probably be held in June- a date will be announced later.

A nomination was sent in this year for Lyon Jerseys- Master Breeder. Jennifer Zumbach or Michael Kunde were not sent in for Young Jersey Breeder since Jennifer is expecting in July, but one or both will be sent in next year.

IJCC Youth award winners Eric Metzger and Jordan Hanson will be nominated for the 2012 AJCA Youth Achievement contest. Kara Maxwell will also be eligible since she place in the top ten on the 2011 contest.

The meeting was adjourned at 7:58pm.

Respectfully submitted, Jennifer Zumbach, IJCC Secretary

# Hawkeye Pot O' Gold

The **Hawkeye Pot O' Gold Sale** is open to all Juniors between the ages of 7 and 20 (inclusive) on January 1 of the sale year.

The members of the Iowa Jersey Cattle Club established the Hawkeye Pot O' Gold Sale to provide Juniors the opportunity to purchase outstanding heifers for both type and production for the foundation of their future herds and a chance to win back some of their purchase price by doing a good job of raising and milking their animal.

Twenty-five percent (25%) of the gross of these sales will be set aside as a Pot O' Gold fund. This will be awarded to the Juniors whose calves purchased in this sale have the highest Combined Fat and Protein actual pounds, provided they calve before reaching 30 months of age. Records must be made on DHIA, regularly, organized DHI or any form of test recognized by the IJCC Pot O' Gold Committee.

All heifers must be tested in the DHI or DHIA herd owned by the purchaser, parent or legal guardian – except in the event this is not possible, a written request may be made to the Committee for permission to test the heifer in another herd in an adjoining county or area. Loss, death or transfer of ownership of any purchase before the record is completed eliminates that heifer and owner from the competition. The 1st Place animal's owner will receive 50% of the Pot O' Gold fund and the remainder of the heifers completing the contest qualifications will receive compensation.

# ROCK BOTTOM DAIRY RECEIVES TOP AWARD FOR HERD REPRODUCTION

Few production aspects contribute to a dairy's profitability more than exceptional herd reproductive performance, and no dairy has received a higher honor for that performance than the Bakker's at Rock Bottom Dairy in Rock Rapids, Iowa. Dairy owner Bernie Bakker and dairy manager Dan Bakker recently received the platinum award at the 2011 Dairy Cattle Reproduction Council (DCRC) Annual Meeting in Kansas City, MO.

Rock Bottom Dairy was one of only four dairies in the country to receive the platinum award, which recognizes dairy operations that lead the industry in management, biology and culling. For Bernie, the award was evidence that attention to detail increases herd pregnancy rate and profitability.

"Reproduction has such a huge financial impact, and it's an area where dairies can really improve their economics," Bernie said. "Reproduction is also a huge challenge. Getting cows pregnant in a timely manner is one of the biggest production challenges."

Superior herd reproductive performance is difficult to achieve because many factors contribute to success or failure. At Rock Bottom Dairy, overall dedication and consistency are essential to the success of their program.

"It's a lot of things. Pregnancy rate is not one thing, but a lot of things put together," Bernie said. "It's putting together a quality breeding program and being meticulous about that program. Good nutrition is also essential as well as quality semen and AI technician."

Bernie purchased an existing 100-cow dairy in 2002 and grew it to its current size of 1,100 Jersey cows. Rock Bottom Dairy maintains a rolling herd average of 17,800 pounds of milk. Extensive production data were analyzed by a panel of judges on every cow that calved during the course of the year to determine the award winners. Other award levels include gold, silver and honorable mention. Altogether, 16 dairies were recognized by the DCRC in 2011.

After the recognition, which included a feature in the Nov. 2011 issue of *Hoard's Dairyman*, Bernie summed it all up in his typical subdued Midwestern way. "It's kind of nice to see the reward for a lot of hard work," he said.

Bernie also owns Bakker Consulting, a distributor of Ralco Animal Health products, and Ralco is the core nutrition at Rock Bottom Dairy.
