President's Perspective

Hope that this issue finds you all well and hopefully enjoying the winter that we have had. It would be great to see as many of you as possible at the State Jersey meeting on March 2nd, at the Country Junction restaurant in Dyersville, IA. We have a lot of items to discuss. So your

input is greatly needed.

Also it would be great to see as many of you at the state sale in West Union on March 23rd as well. There will be something for everyone. From a show prospect to a high genomic heifer, to a bulk tank-filler, it will be there. So tell all that you know. Lets make this the best state sale ever.

On another note it's with sad heart to tell you about one of the oldest & Finest Jersey herds in the Midwest, calling it quits. Maple Lawn Jerseys milked the last cows on Saturday morning, February 9th. Jerseys have been milked there since 1906. It has been an honor & privilege to have worked with Dan & Connie Schweigert over these past years. Their friendship & knowledge will never be forgotten. From the late nights sitting up at the Illinois State fair watching animals or the phone conversations, or sitting at the kitchen table to a great conversation looking out the window at some of the finest Jerseys anywhere. We will always stay in touch. Congrats to Kevin and Cari Knapp for purchasing the Maple Lawn herd. You got one of the best herds around.

With that I had better get this off to Jennifer ASAP before I get the call. Hope to see as many of you at either the state meeting or at the state sale.

Also I would like to announce that I will be seeking another term as your President if you will have me.

Until next time, *Jeff Holtz*

Vice President's Message

Hello again! I hope everyone's winter is going well.

I would like to encourage our membership to help support the IJCC activities in the coming months. Let's all renew our memberships and try to attend our March Annual Meeting.

We need help to make decisions and keep our IJCC active in the dairy world.

I would like to encourage everyone to support our upcoming spring Jersey sale. We need quality consignments and interested buyers. It seems there is always a cull or two that can be shipped and replaced thereby making improvements with minimal cash output. So let's do our best and support our March 23rd State Jersey Sale.

Until Next Time,

Harvey Metzger

Editorial

I really hope you enjoy this issue!

We have some new faces and many 'old faithful' advertisers. We have many Ayrshire Breeders included in this special combined issue- Thank You! I could not do this publication without your support as members and/or advertisers. I hope

you feel like you get more than your money's worth. I've found myself working in the wee hours of the morning as to take advantage of the time without 'helpers'... plunking of the keyboard is not helpful with this project!

We are looking forward to seeing many of you to at the Annual Spring meeting. It has moved to the Dyersville Country Junction for this year. Please bring your family for the excellent food and enjoy the conversation and club discussion. We will make sure to get through the club business quickly to make sure you have enough time to get back home for milking. *Yes, this may arrive after the meeting, that's why we sent the post cards out, but on the off chance it makes it before- you'll want this information!!*

Make sure to send your 2014 Iowa State Fair judge nominations to President Jeff Holtz. Those will be voted on at the Spring meeting. Information is on the inside back cover. There are many Jersey Youth opportunities coming up- I've listed some on page 11. Please take advantage of them!

Sounds like there are more cattle being added daily to the Spring Sale line-up. The catalog can be found on the US Ayrshire Breeders' website once it's out. Please take a look- there should be something to fill your needs. We'd like to welcome Jason Steinlage, who'll be reading pedigrees this year. Thank you to Eric Lang, who's done a great job for years. Proudly yours, *Jennifer Zumbach*

Mix and add ¾ c flour which has been sifted with 1 ½ t baking powder. Then add enough (1+ cup) flour to make a still dough. Roll on floured board. Allow to dry at least 15 minutes and cut as desired. I let dry additional couple hours or overnight between two towels, then freeze.

2012 Executive Meeting minutes

The Executive meeting of the Iowa Jersey Cattle Club was called to order by President Jeff Holtz at 7:10 PM on January 14, 2013. Vice President, Harvey Metzger and Secretary-Treasurer Jennifer Zumbach were also present. Business discussed included:

- State Sale will be a week earlier than the Minnesota Sale. It will be on March 23rd at the Fayette County Fairgrounds, West Union. Harvey said there would be some people coming from NW Iowa to help show animals through the ring. We will have the 3rd Hawkeye Pot O Gold sale this year with 4 head, available only to youth. There will be a 25% commission which will directly go into the fund to be paid out when these animals have production records to compare. Next year we will present awards for the 1st year of animals sold. Jennifer mentioned plans to include Ayrshire Breeders in the Winter magazine as a Sale Issue.

- Several locations were mentioned for the Spring meeting. We thought we'd try the Country Junction, Dyersville to see if we could increase attendance. It will be on March 2nd at 11:30. Jennifer will send a post card out to members with this information included.

- State Fair- Rhonda Guy shared changes with PDCC members, Jeff shared them with us. (They are printed in this issue). Joe Stanek will judge the show this year. (*update- he had a conflict with the new schedule- so Rhonda is currently checking with Mark Rueth*). The ISU Dairy Science Club will do the Boulevard of Breeds this year with animals from Churchill and Lyon families. There will be a nomination form in the Winter IJT for judges for the 2014 Iowa State Fair Show.

- Budget- Balance in checking is \$817.88, 2007 Convention Savings is \$7898.13 and the UBS Scholarship fund is \$10784.46. Jennifer presented the balance sheet from the past year and a budget for 2013 for review. It will be voted on at the Spring meeting.

- Iowa Jersey Today-Jennifer would like to increase business advertisements, and encouraged members to think of businesses they work with that might advertise.

- Summer Picnic- suggestion was Maxwell's. Jeff will call Amy or John. Others are welcome to volunteer. Please let one of the officers know if you would like to host the 2013 IJCC picnic.

- AJCA Nominations- Lyon Jerseys were nominated for Master Breeder, Dr. Ronald Horst for Meritorious Service.

- Kara Maxwell and Megan Lien will both be nominated for AJCA Youth Achievement awards

- Brian Lantzky mentioned Iowa could have enough cattle to have a JMS sale this spring. Jeff and Harvey thought he should get some more information and bring it to the Spring meeting for discussion.

The meeting adjourned at 8:00pm.

Respectfully submitted, Jennifer Zumbach, Secretary

Hawkeye Pot O' Gold

The **Hawkeye Pot O' Gold Sale** is open to all Juniors between the ages of 7 and 20 (inclusive) on January 1 of the sale year.

The members of the Iowa Jersey Cattle Club established the Hawkeye Pot O' Gold Sale to provide Juniors the opportunity to purchase outstanding heifers for both type and production for the foundation of their future herds and a chance to win back some of their purchase price by doing a good job of raising and milking their animal.

Twenty-five percent (25%) of the gross of these sales will be set aside as a Pot O' Gold fund. This will be awarded to the Juniors whose calves purchased in this sale have the highest Combined Fat and Protein actual pounds, provided they calve before reaching 30 months of age. Records must be made on DHIA, regularly, organized DHI or any form of test recognized by the IJCC Pot O' Gold Committee.

All heifers must be tested in the DHI or DHIA herd owned by the purchaser, parent or legal guardian – except in the event this is not possible, a written request may be made to the Committee for permission to test the heifer in another herd in an adjoining county or area. Loss, death or transfer of ownership of any purchase before the record is completed eliminates that heifer and owner from the competition.

The 1st Place animal's owner will receive 50% of the Pot O' Gold fund and the remainder of the heifers completing the contest qualifications will receive compensation.

Kruse's heifer wins Cattle Congress Scholarship Show

By Jean Caspers-Simmet - simmet@agrinews.com

WATERLOO, Iowa — Cole Kruse, 12, of Dyersville received a \$2,000 college scholarship Sept. 15 for winning the National Cattle Congress Iowa Supreme Champion Dairy Heifer Scholarship Show with his Ayrshire senior calf, Covey P&A Reality Jamaica.

The show was new to the National Cattle Congress Fair.

Lars Sivesind, 19, Waukon, was second with his Guernsey senior yearling, Prairie Moon Yogi Bliss. His heifer was supreme champion at the Allamakee County Fair. He received a \$1,000 scholarship. Dana Sickles, 10, Marengo, finished third with her Holstein summer yearling, To-Mar Mello Liva-Red. Her heifer was supreme champion at the Iowa County Fair. She received a \$500 scholarship.

Kruse's calf was supreme champion at the Delaware County Fair.

Danielle Kiefer, assistant dairy superintendent and scholarship show organizer, said that 24 young people entered heifers and 21 showed up.

"We were pleased with the show," Kiefer said. "We'll do it again next year, and we may expand it to include youth from other states."

These scholarships will be put into a trust until the recipients have completed their first semester of college and can be used at a college of their choice. The Supreme and Reserve Supreme Junior Champions of each county fair is eligible to compete in this class.

Youth Show judges were Randy Frank and Robert Breitspecher.

There were 180 head of cattle exhibited in the open show and 150 head exhibited in the youth show. Kiefer said about 300 head of cattle were involved between the two shows.

Junior Show Grand Champion

NORMAN NABHOLZ IS 10TH RECIPIENT OF MAX GORDON AWARD

Norman Nabholz, West Union, was named the 10th recipient of the Max Gordon Recognition Award. He was honored at a ceremony held during the National Jersey Jug Futurity in Louisville, Ky., on November 4, 2012.

The Max Gordon Recognition Award is given annually to an exhibitor who possesses the five key elements for which the award's namesake stood: sportsmanship, ethics, professionalism, ability and promotion of the Jersey cow. Recipients are chosen by a committee of individuals who have previously received the Max Gordon Recognition Award.

"It is fitting that Norm receive this award as he and Max were longtime friends and shared a mutual respect for each other as promoters of the Jersey breed," said Phil Gordon, Syracuse, Ind., son of the late Max Gordon. "Norm has brought young people and the Jersey cow together countless times over the years; many of these young people are breeding Jersey cattle today thanks to Norm's mentoring abilities."

Nabholz is known across the dairy industry for having a keen eye for the kind of cattle that can bring premium prices in the auction ring and earn purple banners in the show ring. He has owned or sold 16 cows that earned Grand Champion titles at World Dairy Expo; two were subsequently named Supreme Champion. He has also exhibited two National Grand Champions (Responses Wonder in 2001 and Blacky Rose of Briarcliffs in 2002), two winners of the National Jersey Jug Futurity (K.J.F Dynamo Lassie Jill in 1983 and Nabdon Second Patsy in 1992) and two Grand Champions of the Royal Agricultural Winter Fair (RAWF). He has been presented with the Premier Breeder and Premier Exhibitor banners at shows from coast-to-coast.

Nabholz has operated a sales business from Nabholz Farm since 1975. Though 80% of the business receipts come from selling cattle to commercial dairy producers across the country, Nabholz is widely recognized for his elite sales which have auctioned some of the Jersey and Holstein breed's high selling females. Two special offerings held in conjunction with the Field of Dreams series managed by Nabholz—Primetype in the Heartland and Chosen Few at Country Hills—rank as the Jersey breed's historical high and second high-averaging sales with respective averages of \$8,823.48 and \$8,506.82. The second high-selling female in breed history, Llolyn Jude Griffen-ET, sold through the Field of Dreams III sale in June 2005 for \$80,000 and then became National Grand Champion five months later.

Nabholz has judged dairy cattle domestically in more than 30 states and internationally in four Canadian provinces, Australia, Argentina, Ecuador and Mexico. He has judged both World Dairy Expo and the RAWF three times and served as an official for the Hoard's Dairyman judging contest.

Though Nabholz has developed a reputation for recognizing fancy type across breeds, Jerseys are his first love and his passion. He runs his sales business from the family farm, which has been Jersey since it was purchased by his father, Milford, and uncle, Marshall, in 1966. Nabholz got his feet wet in the show arena as a youth at the National Dairy Cattle Congress when he helped care for show strings owned by prominent Jersey exhibitors such as Heaven Hill. He was high individual overall and a member of the Iowa State University dairy judging team that won the contest at the National Dairy Cattle Congress in 1975.

Nabholz authored the book, "Millionaires in the Cornfields: The Glory Days of the National Dairy Cattle Congress," to celebrate the 100th anniversary of the show in 2011.

National Dairy Shrine honored Nabholz with the Klussendorf Memorial Trophy for sportsmanship in 1989.

Previous winners include: George Barlass, Janesville, Wis. (2011), Jim VanBuskirk, Mich. (2010); Brian Sayles, Ont. (2009); Mike Stiles, Va. (2008); the late Harry Mykrantz, Ohio (2007); Ronnie Rider, Ky. (2006); Chuck Myers, Ohio (2005); Charles Luchsinger, N.Y. (2004); and Ron Mosser, Ind. (2003). *reprinted with permission Jersey Journal.*

NICC DAIRY STUDENTS WIN AT WORLD DAIRY EXPO

Congratulations to Nick Duncanson (Lewiston, MN), Andrew Hornberg (Winona, MN), *Jake Mills* (Strawberry Point, IA) and Rachel Scott (Westgate, IA) on winning the Practical contest at World Dairy Expo in Madison, WI. This is the second time in three years that Northeast Iowa Community College has won this contest at the national level. The practical contest has students rank heifers on a combined system for phenotype (conformation) and genotype (pedigree) for both registered and commercial dairy operations. The students then orally defend their placings in front of a panel of judges. The students also rate lactating cows on a linear 1-50 point scale for ten conformation traits. Three team members placed in the top ten nationally in the linear division Andrew Hornberg (4th), Rachel Scott (5th) and Jake Mills (8th) giving the team a placing of 2nd overall in linear.

The students also compete in a traditional dairy judging contest where they placed twelve classes of cows or heifers in the following breeds: Ayrshire, Brown Swiss, Guernsey, Holstein, Jersey, Milking Shorthorn and Red & White. The students then gave oral reasons on four of these twelve classes. Overall NICC placed 5th in this contest out of 15 other teams; just a couple points separated 3rd, 4th and 5th places. Two New York schools placed 1st and 2nd, followed by two-year programs at Wisconsin-Madison and Michigan State. NICC high individuals overall included Rachel Scott (6th) and Nick Duncanson (7th) both receiving All-American distinction. Rachel Scott also received honors placing as the 9th overall individual in oral reasons. In addition, the students collected numerous individual honors at World Dairy Expo:

- In addition to his 7th place individual overall finish at the expo, Nick Duncanson won 2nd high individual in Milking Shorthorn, 3rd high individual in Brown Swiss and 6th high individual in Guernsey.
- Andrew Hornberg was also 3rd high individual in Holsteins and 6th high individual in Milking Shorthorns.
- Jake Mills took the 2nd place high individual in the Holstein breed.
- In addition to a 6th place finish overall as an individual and placing 9th overall in oral reasons, Rachel Scott earned a 2nd place individual in the Brown Swiss breed and 4th place in Ayrshires.

The team was coached by Dave Lawstuen, NICC dairy science faculty and chair of dairy operations, and Megan Kregel, Northeast Iowa Dairy Foundation coordinator.

Above are Sponsor Taylor Weisensel with Ag Bag, Dave Lawstuen (coach), Jake Mills, Rachel Scott, Andrew Hornberg, Nick Duncanson and Megan Kregel (coach).

10 THINGS I WISH I HAD KNOWN WHEN I WAS 18

October 13, 2012 Reprinted with permission from justathoughtdevotionals.com

A collection of random thoughts (in no particular order) that I have shared with graduating high school seniors over the years. Sound words of advice for all teens and young adults. Oh who am I kidding, it's sound advice regardless of your age. Enjoy...

10. It's alright to change your mind. Decisions are going to become increasingly more weighty and difficult as the years pass. Don't feel so pressured. It's alright to take your time and ask for help when making decisions.

9. Learning should be a way of living. Never, never, never stop learning. Yes, an education can be a pricey investment. But in time you will discover that it is well worth the cost, effort, and sacrifice.

8. Make the most of every opportunity. Life has no rewind button. You seldom get second chances with anything. Make it count!!! Give your best. Give your all. A life with no regrets is a life you will never regret.

7. I will not be a child anymore one of these days. Huh? Growing up means growing up. Stop making excuses. Stop blaming others. Stop expecting someone else to always clean up after you. Be accountable. Take responsibility. Develop in maturity.

6. Change is the one constant in life. Be flexible. Learn to adapt. Especially when it comes to yourself. You are still evolving. In so many ways you are just now entering the cocoon of who you will become.

5. Nothing of true, lasting value comes cheap. Sweat, blood, and tears are the purchase price of life's greatest treasures. If it costs nothing, it is unlikely that it will mean anything to you.

4. Choices and character are inseparable. "Got problems with the fruit? Take a look at the root," is what I always say. Never forget that who I am is what I will do. I am my words. I am my actions. Don't just be a character. Have character. Character counts.

3. Learn to laugh. Not everything is as serious as we like to think. Seriously. Give yourself and others plenty of margin and room for error. You will make mistakes. Pobody's nerfect. When it happens, get up, clean yourself off, and get moving forward again.

2. Given the choice between knowledge and wisdom... I'd pick wisdom. You can know everything and still fail a test. Knowing facts and information means nothing if you don't know what to do with what you know. Understand?

1. Life is unpredictable. Make sure your loved ones know that you love and care for them. Never assume they know. Use words and reinforce them with actions. Do it today. Today!

Well, that's it. The only thing I would like to add in closing is a quote from Mark Twain that says, "Sing like no one's listening, love like you've never been hurt, dance like nobody's watching, and live like its heaven on earth." Good words indeed...
