

Defining Excellence

It has been a great pleasure to have bred or owned the cows featured on these two pages. All are appraised Excellent-94% or higher. They have defined our breeding program and have propelled our herd forward to what it is today. Many of the individuals offered in the Ratliff Proof of Progress Sale hail from these families—thank you to all for your support. We've invested in the best and hope your Ratliff bred animals do the same for you.
