We faced many challenges this show season, including: a snow storm on our way to the Wisconsin Spring Spectacular; in July, I had rotator cuff surgery and the doctor advised me not to lead at World Dairy Expo and at Louisville I was sick as a dog with pneumonia. We are so glad we persevered through these obstacles for another successful show season. It was truly amazing!

I want to thank my group Kyle Natzke, Dan Fredrick, Donald Richardson, Frank Pretz, Diane Ossenkop, Riley Demmer, my brother Mike and my husband Ron. I would have never made it through Louisville without all of your help.
