Ratliff Sambo Martina, E-91%

Cybil Fisher Photo

“Martina” captured our hearts the day she was born. She made her debut in 2006 winning the Junior 2-year-old class at both Madison and Louisville. And last year she captured the hearts of the world when she won the National Jersey Jug Futurity and was named Supreme Winner of the Kingsmill Farm II International Futurity in Madison.

From one of the breed’s deepest pedigrees (8 generations of Excellents behind her VG-86% dam), she has a lot going for her.

She completed a 304-day record at 3-2 of 18,220M, 857F and 691P and was fresh again in May with a “Comerica” bull that is receiving a lot of A.I. interest.
