

INFLUENTIAL

Blacky Rose of Briarcliffs

2002 National Grand Champion

"Blacky" was one of the all-time favorites here at Waverly Farm.

Her influence continues to carry on through her sons and daughters here in the herd. This fall has been a coming-of-age for her, as these two maternal descendants have captured the attention of the judges at three regional shows . . . we couldn't be happier to see her legacy continue with offspring like them.
